Log In to Patient Portal

After registering for the patient portal, future result text message notifications will include a link to the patient portal where patients can log in to view details of their appointments, view past results and perform other functions.

To log in to the patient portal, follow the steps below:

1. Click the URL in the text message OR go to <https://iowaradia.abbadox.com/patientportal>.
2. Enter your User ID (email) and Password.
3. Click **Login**.

Note

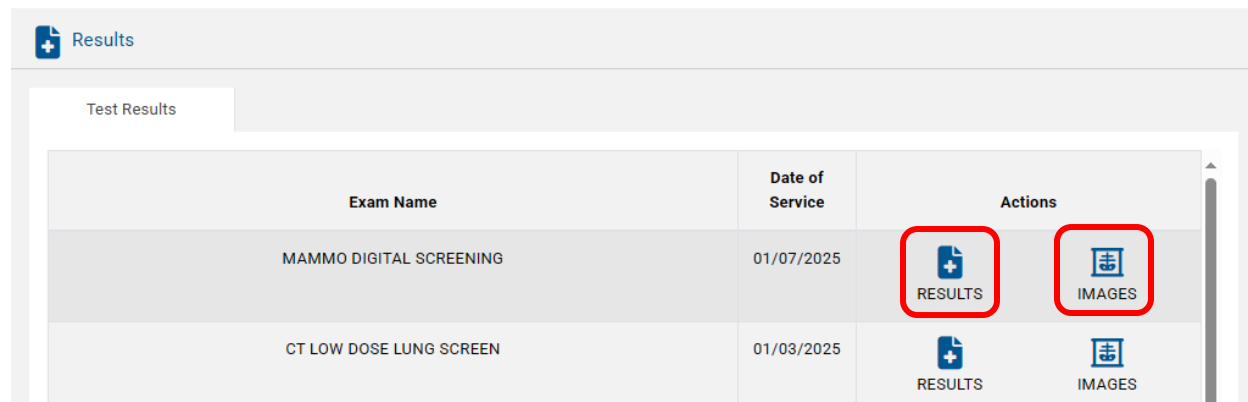

Only one patient can be registered per email address.

Navigating the Patient Portal

The patient portal provides access to Results, Images, Appointments and Lay Letters.

Results

The Results component displays reports for previous appointments.

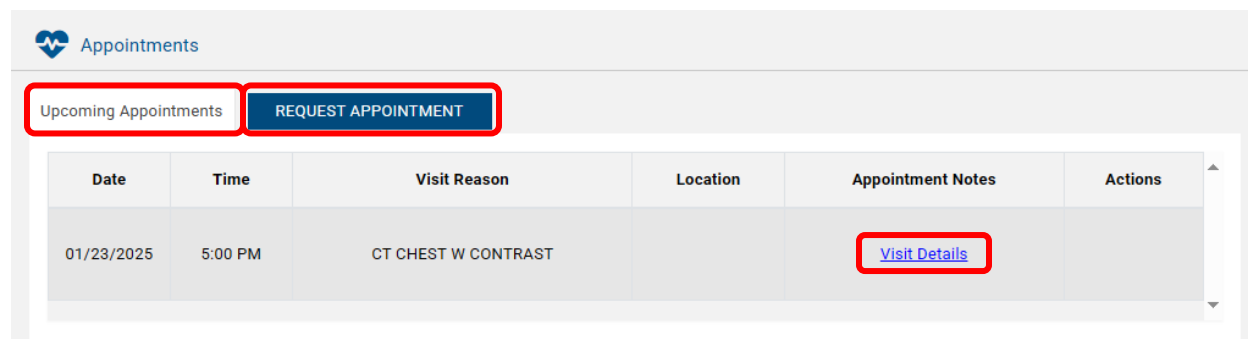

Exam Name	Date of Service	Actions	
MAMMO DIGITAL SCREENING	01/07/2025	RESULTS	IMAGES
CT LOW DOSE LUNG SCREEN	01/03/2025	RESULTS	IMAGES

- Click **Results** next to an appointment to view the report. The report will open in a new window. You can print the report if you are connected to a printer.
- Click **Images** next to an appointment to view the study. There might be a slight delay for the images to load. If they do not load on the first attempt, close the viewer tab and click the **Images** link again.
 - If attempting to view Images from Safari on an iOS device, open Settings and search for “Safari” and toggle **Block Pop-ups** to off.

Appointments

The Appointments component is the default landing page users see after logging in. This page displays upcoming appointments, unscheduled appointments, and allows you to self-schedule select exams.

Date	Time	Visit Reason	Location	Appointment Notes	Actions
01/23/2025	5:00 PM	CT CHEST W CONTRAST		Visit Details	

Upcoming Appointments

- Click **Visit Details** to view appointment information and prep instructions.

Request Appointment

- You may self-schedule Screening Mammograms and Body Composition Analysis exams without a physician's order. All other exams need to be ordered by your physician.
- Click **Request Appointment** to open the Scheduler Wizard.
- Fill out the required details and follow the onscreen prompts to verify your information and choose an Iowa Radiology clinic location, date and time to have your exam.

Unscheduled / Requested Appointments

To schedule the exam(s) below, please select the Schedule button icon.

Date	Time	Visit Reason	Location	Physician	Appointment Notes	Actions
		US THYROID/HEAD/SOFT TISSUE NECK		LAURA FRANCISCO	Visit Details	 SCHEDULE

Unscheduled / Requested Appointments

- If your physician has sent an order to Iowa Radiology that can be self-scheduled, you will see it listed here.
- Click **Schedule** to open the Scheduler Wizard and follow the onscreen prompts to verify your information and choose an Iowa Radiology clinic location, date and time to have your exam.

Letters

The Letters component displays lay letters for Mammogram and CT Low Dose Screening exams.

Date	Subject	Viewed Date/Time	Viewed By	Action
1/7/2025	Mammo Lay Letter	2025/01/07 03:43 PM		 View Letter

- Click **View Letter** next to an exam to view the lay letter. The letter will open in a new window. You can print the letter if you are connected to a printer.
